## Poems Emotional Love Dimmick Ruth Crosby

**alumni notes - ase.tufts** - poems take us to the purest evolutionary point of the lyric form through their single-speaker stance, the movement of a mind over subjects, the emotional weight carried on the backs of images, the unpredictable associations, the satisfying call-backs. she teaches us how to retain the self without disappearing into the object we behold. **edmund spenser, george turberville, and isabella whitney ...** - ary women who lament the amatory crimes of the men they love. it may have been some of the first poetry in latin that spenser encour- ... roman men and their elizabethan successors found emotional, poeti- cal women erotic. henomenon this p may have reinforced the already ... jeremy dimmick, "ovid inthe middle ages: authority and poetry," the ...
